HOW CAN I BETTER CONNECT WITH MYSELF AND OTHERS?

Multi-faith Chaplaincy seeks to foster community connection, creative thinking, and imaginative exploration of spirituality and faith. We offer space for all those who wish to celebrate the human spirit in the widest sense of the world - through practicing yoga and meditation, following religious traditions, giving voice to artistic expressions, or engaging with socio-environmental issues - to nurture faith and encourage spiritual practice. We also offer support services such as the Student Emergency and Food Fund, offer space for gatherings and events and provide guidance and confidential counsel.

WHAT VALUES MATTER TO ME?

Our staff provide students with a listening ear for spiritual or holistic personal concerns to help guide them towards making healthy and viable choices through confidential counsel.

WHAT ARE HAPPINESS, FULFILLMENT, AND SUCCESS?

Check out our activities, including meditation sessions, drum circles, retreats, and community events.
You can also come by the offices just to hang out.
